Grenada Bulldogs Defeat Okolona Chiefs, 19-7

(By Hugh Ketchum)

Following three consecutive setbacks and after being pushed around for three quarters last Friday night by the Okolona Chiefs, the Grenada Bulldogs came to life and scored 3 times to down the Chiefs, 19 to 7, and bounce back in the victory column. The victory gave the Bulldogs a three-three record for the season.

Okolona dominated play over the Bulldogs during all of the first half, scoring in the second quarter when Harold Stevens swept left end for 15 yards. He also scored the extra point around left end.

Near the end of the third period the Bulldog line finally began to outcharge the Chiefs, smearing two plays for losses before Howard Ellis was swamped 10 yards behind the line of scrimmage in a pass attempt. He dropped the ball and Tackle Gary Waldrop picked up the loose ball and ran 40 yards for the score. Ray Freeman kicked the point to tie the score.

Freeman and Bill Raper cranked up their running game in the final period, reeling off nice gains in spite of spotty blocking. Freeman did the scoring honors, once from the eight yard line and again from the two. A covered fumble by Tackle Charles Ferrell on the Okolona eight set up one touchdown.

This week the Bulldogs invade Oxford for another Little Ten game. It has been several years since the Bulldogs tasted victory over the Colonels and they rate an outside chance to spring the Little Ten's first upset this year. Oxford has won four and lost two while Grenada has won three and lost three.

Mr. and Mrs. R. M. Ray have returned from a two weeks visit in the home of their daughter, Mrs. Lewis Sturgis in Johnstown, N. Y.

Typhoon In "The Caine Mutiny" Example of Unique Film Realism

Hollywood's production ingenuity has always reached its peak whenever a great cataclysm has to be filmed. Fire, hell and high water have always brought out the best efforts of the Hollywood technicians but they excelled themselves in the re-creation of the great South Pacific typhoon of 1944 for Columbia Pictures' "The Caine Mutiny", produced by Stanley Kramer and starring Humphrey Bogart, Jose Ferrer, Van Johnson and Fred MacMurray at the Grenada Theatre in color by Technicolor. Starting Saturday at 1 p. m.

Chamber Of Commerce News

Mrs. Virginia Hubbard, Chamber manager, announces that at a meeting of the up-town merchants Tuesday, Oct. 19 at 10 a. m. in the City Hall the following merchants agreed to have floats in the Christmas Parade: Trustys, Dattels, Jitney-Jungle, Horton & Horton, Revells, Western Auto, Fred Griffin Motors, Nelson-Stricklin, Morris & Jones, Spain's Big Star and Puckett & Brown.

Eight other merchants are considering entering floats. All others agreed to give a donation to improve the street and square decorations.

The other merchants and all clubs will be contacted right away. Mrs. Hubbard states that the Christmas Program committee is very encouraged with the response of the up-town merchants and expect to have more floats in the 1934 Christmas Parade than ever before.

To date, two bands, Calhoun City and Bruce, have accepted Grenada's invitation to participate in the parade. Lickfold & Son, Jewelers and 444 Tire and Battery are making donations to be used as an inducement to get more bands to come to Grenada for the Christmas Parade.

Decentralizing, to many, is just a long word. But that has happened and is still happening in Grenada. Look at Shipp's new drug store and Futhey's now located in the Hosiery Mill-Oliver area. In many communities, like Grenada, there just is not any MORE space on the square, or on Main Street. Businesses just have to seek elsewhere - hence, decentralization.

Mr. and Mrs. B. J. Anderson Sr. are visiting relatives in Georgia and North Carolina and will be away 10 days.

BY THE EDITOR

We cannot but speak the things which we have seen and heard—Acts 4:18.

Judging from the 4th Quarter Report of Activities at the Grenada Co. Health Center, a 4-page, single-spaced condensation (copy of which is at hand), there is big business going on out on Govan. I will not undertake to reproduce it, but assure you lots is going on there. Come around and read our copy.

It looks natural to see W. E. Jackson walking around on Growing Green.

Over in Greenwood Thursday, after visiting Brother Lawrence a while, I dropped into the Greenwood Commonwealth office, met a lot of nice people I had met before, then met David Bready who is called Asst. Pub., but whose main accomplishment was that of marrying Supt. Gillespie's daughter and getting himself "in line". From what I noted, Dave is a part of everything round the shop and seems to be doing good jobs. I imagine I will get my name in the paper.

AIC Adaline Eubanks, daughter of Mr. and Mrs. Roscoe Eubanks, who is a pretty WAF at the air base in Tacoma, Wash., spent part of her 30 days leave with her parents here, but is now visiting her brother in Saline, Kansas.

I am not stating that the country supervisors are breaking the law regarding division of the money. I merely say they are "using" the law, if you know what I mean. They did not MAKE the law, but most of them use the law to their own advantage and that's a lot of different from breaking the law.

The Basic Idea Behind the All-New 1955 PONTIAC

On Display October 29 and 30

ABOUT 30 years ago General Motors Corporation presented to America a new car called Pontiac. This new car was the direct result of a very specific idea.

The idea was this: to create a car which took its style, its engineering principles and its features from the very best and most expensive in America—and to build these into a car priced just above the very lowest!

Naturally, such an idea produced a wonderful and highly popular car—a car which millions of satisfied owners have driven with outstanding pride and pleasure.

Now, nearly three decades later, an entirely new Pontiac has been created for 1955—a car completely new from the ground up!

One thing, however, about the 1955 Pontiac remains unchanged—its basic idea—to offer the American public the very finest car that can possibly be built to sell at a price within easy reach of any new-car buyer.

When you see the new Pontiac on Friday or Saturday—Oct. 29 or 30—you will be immediately impressed by its remarkable new styling. No other car in the world looks like this new Pontiac!

When you drive it you will be astonished at its performance. For the 1955 Pontiac introduces the powerful new Six-Cylinder V-8, an all-new engine that has been improved in more than 3 million hours.

When you price the new Pontiac you will come face to face with the basic idea—You will be agreeably surprised at so much car, so much sparkling newness, so much luxury, so much downright goodness can be priced so near the very lowest.

We cordially invite you to come in on Friday or Saturday and see for yourself what a superb all-new General Motors masterpiece has been created to carry the wonderful name "Pontiac" for 1955.

1. Mix together 2 envelopes Knox Unflavored Gelatine, 1 cup sugar, and 1/4 teaspoon salt in the top of double boiler.
 2. Beat together 2 egg yolks and 1 cup milk; add to gelatine mixture. Cook over boiling water, stirring constantly until gelatine is dissolved and mixture thickens, about 10 minutes.
 3. Remove from heat; add 1 teaspoon grated lemon rind; cool.
 4. Stir in 3 cups creamed cottage cheese (24 oz.) sieved, 1 tablespoon lemon juice, and 1 teaspoon vanilla. Chill, stirring occasionally until mixture mounds slightly when dropped from a spoon.
 5. While mixture is chilling, make crumb topping as follows: Mix 2 tablespoons melted butter, 1 tablespoon sugar, 1/2 cup graham cracker crumbs, 1/4 teaspoon cinnamon, and 1/4 teaspoon nutmeg; set aside.
 6. Fold 2 egg whites, stiffly beaten, and 1 cup heavy cream whipped, into chilled gelatine mixture.
